01

THE BASICS

1 HOUR - \$150

This private lesson is where you will learn your basic necessities when it comes to applying makeup. You will be provided with step-by-step instructions on how to apply a natural and beautiful makeup look that is perfect for everyday wear. This lesson is great for you to bring your own makeup bag to as well to work with your products. If not, I am happy to use products from my pro kit for us to see what works best for you. We will sit down together to talk makeup, practice, and create your signature look that best compliments and highlights your beautiful features. You will also receive a step-by-step guide to take home with you that includes product recommendations, tips & tricks, and more!
